House 3095 Vallauris

We fell in love with this little corner of paradise to be seized in a popular area of Vallauris. A charming detached house with an area of 72 m², built on a single level. Thanks to its southwest exposure, it is bathed in generous light throughout the day. Facing a green garden, it offers a relaxing setting away from prying eyes. It is composed of a large and comfortable living room of 30 m² with fireplace, an independent equipped kitchen, 2 bedrooms, 1 bathroom, 1 shower room, 2 toilets and a dressing room. Many assets enhance the house: air conditioning, bedroom on one level, double glazing and absolute calm. A large terrace, a wooden chalet, a magpie shed and parking are also available. In the annex: a wooden chalet, a stone shed and a wooden henhouse complete this haven of peace. This cozy nest is nestled on 863 m² of land, ideal for strolling and enjoying the sunny days.
